CITY OF KRUSEVAC

THE DEPARTMENT OF DEFENSE AND EMERGENCY SITUATIONS

Activities of the Department for Defense and Emergency Situations in the period from September 7, 2020. till today

- The Mayor of the City of Kruševac makes a Decision on the abolition of the emergency situation on the territory of the City of Kruševac. (Decision No. 82-5 / 2020 of September 7, 2020)
- At the 20th Extraordinary Session held on September 7, 2020, the City Headquarters for Emergency Situations of the City of Kruševac brought a conclusion proposing the abolition of the emergency situation on the territory of the City of Kruševac. The conclusion was made on the basis of the proposal of the Public Health Institute Krusevac from September 7, 2020. on the termination of the reasons for declaring a state of emergency, and proposed measures and tasks aimed at the Mayor of the City of Kruševac to abolish the state of emergency on the territory of the City of Kruševac starting from 07.09.2020. year, and all due to the improvement of the epidemiological situation caused by the spread of the infectious disease "COVID-19" and the decline in the number of patients for a long time.
- The state of emergency has been lifted, but the epidemiological measures prescribed by the Government of the Republic of Serbia, the Crisis Staff and the Public Health Institute in Krusevac remain in force.
- Krusevac General Hospital has expanded its capacity to accommodate patients with the kovid-19 virus from 120 to 180 beds.
- The City of Kruševac financed the installation of disinfection containers, as well as the installation of a new oxygen installation at the Kruševac General Hospital
