A photograph of four young men in a casual indoor setting. Three men are seated around a wooden table, engaged in a chess game. The man on the left, wearing a light blue denim shirt, is looking towards the other two. The man in the center, wearing a bright green t-shirt and glasses, is smiling and making a peace sign with his right hand. The man on the right, wearing a white t-shirt, is looking down at the chessboard. A fourth man, with dark skin and short hair, is seated on the right side of the frame, looking down at a smartphone. The chessboard is a standard wooden board with white and dark pieces. There are some papers and a smartphone on the table. In the background, there is a window with some posters on the wall.

Participation needs:

- communication through all channels
- possibility spaces
- just a small set of rules
