Sustainable Urban Mobility in Asia

Welcome to the working space Sustainable Urban Mobility in Asia.

The working space is managed by the Connective Cities team.

On the left hand side menu under Networking - Meeting Room you will find access to our online meeting system (QuickMeeting). To use the system you will need to install Java on your computer.

WEBPORTAL

The screenshot shows the homepage of the Connective Cities web portal. At the top, there is a header with the 'CONNECTIVE CITIES' logo on the left, the 'Federal Ministry for Economic Cooperation and Development' logo in the center, and social media icons and links for 'Contact', 'Data Protection', and 'Imprint' on the right. Below the header is a large banner image of a busy street scene with a semi-transparent white box in the center containing the text 'CONNECTIVE CITIES' and 'INTERNATIONAL COMMUNITY OF PRACTICE FOR SUSTAINABLE URBAN DEVELOPMENT'. Below the banner is a dark blue navigation bar with links: 'HOME', 'EVENTS+', 'TOPICS+', 'GOOD PRACTICES+', 'SERVICES+', 'EXPERTS+', 'MEDIA CENTRE+', and 'ABOUT US+'. Below the navigation bar, a breadcrumb trail reads 'You are here: Home'. The main content area is titled 'Events' and is divided into two columns: 'Announcements' and 'Documentations'. The 'Announcements' column contains two items: 'Sustainable urban mobility: strategies and pathways towards more efficient, inclusive and environmentally sustainable cities' (dated 19/06/2017 to 21/06/2017) and 'From Waste to Resource – Integrated Municipal Solid Waste Management Solutions' (dated 04/07/2017 to 06/07/2017). The 'Documentations' column contains two items: 'Connective Cities & Cities Fit for Climate Change' (dated 14/02/2017 to 16/02/2017) and 'Transforming cities: from industrial centres to sustainable urban areas' (dated 05/12/2016 to 07/12/2016).

EXPERT POOL

The screenshot displays the 'Connective Cities' website interface. At the top, the logo for 'CONNECTIVE CITIES' is visible alongside the 'Federal Ministry for Economic Cooperation and Development'. A search bar with the placeholder text 'Your search phrase' and a magnifying glass icon is present. Below the header, a dark blue navigation bar contains links for HOME, EVENTS, TOPICS, GOOD PRACTICES, SERVICES, EXPERTS, MEDIA CENTRE, and ABOUT US. A breadcrumb trail indicates 'You are here: Home > Experts'. The main content area features a large banner image of several people in a meeting, with the word 'Experts' overlaid. Below this banner, three columns of content are displayed: 'Our experts' with a photo of two men and the text 'Find municipal experts for your projects!'; 'Registration of experts' with a photo of people at a booth and the text 'International municipal experts wanted!'; and 'Expert experiences' with a photo of a panel discussion and the text 'Experts report on experiences made during international assignments.' Each column includes a 'more' button. At the bottom, two sections are visible: 'We procure Know-How!' with the text 'In international cooperation practical experience counts! Professional know' and 'Expert database' with the text 'In order to achieve this, Connective Cities has developed an expert database'.
