Approach

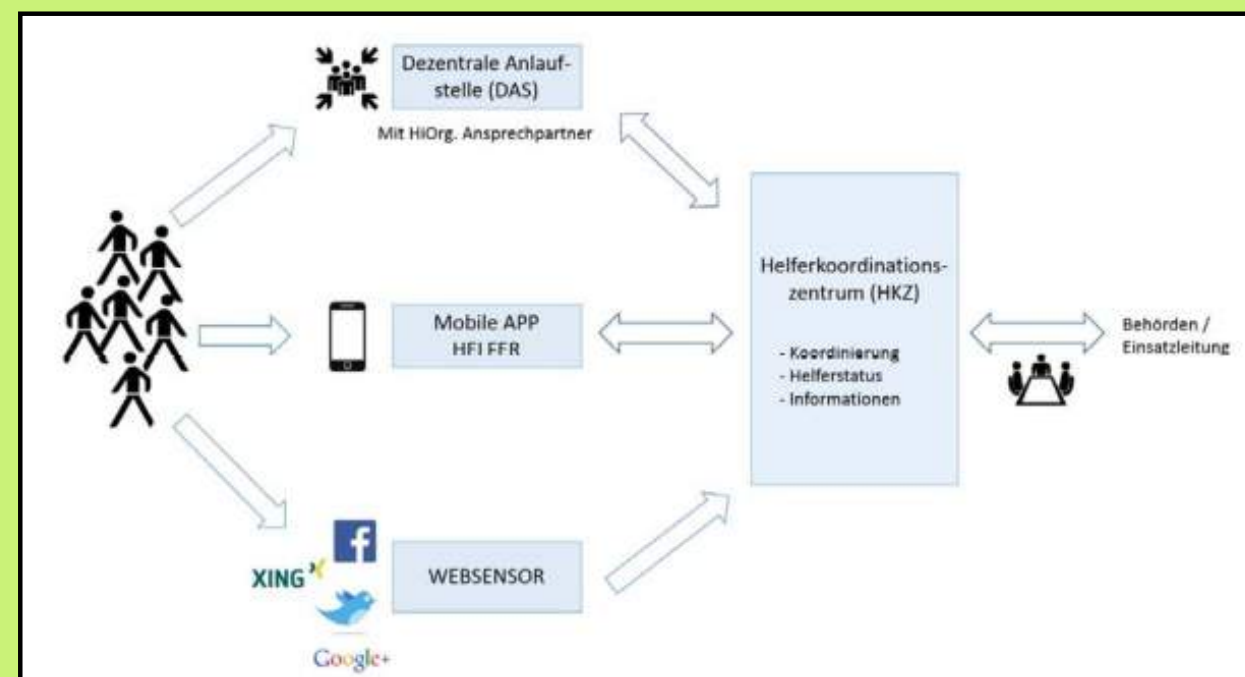

Ad hoc

- observing
- and being astonished

= too little !

Future Vision

- monitoring of movements
- steering of „collective action“
- development of an „volunteers-app“ !

Outputs

**Self organised
help**

Thankfulness!

Lessons learnt = be prepared !!!

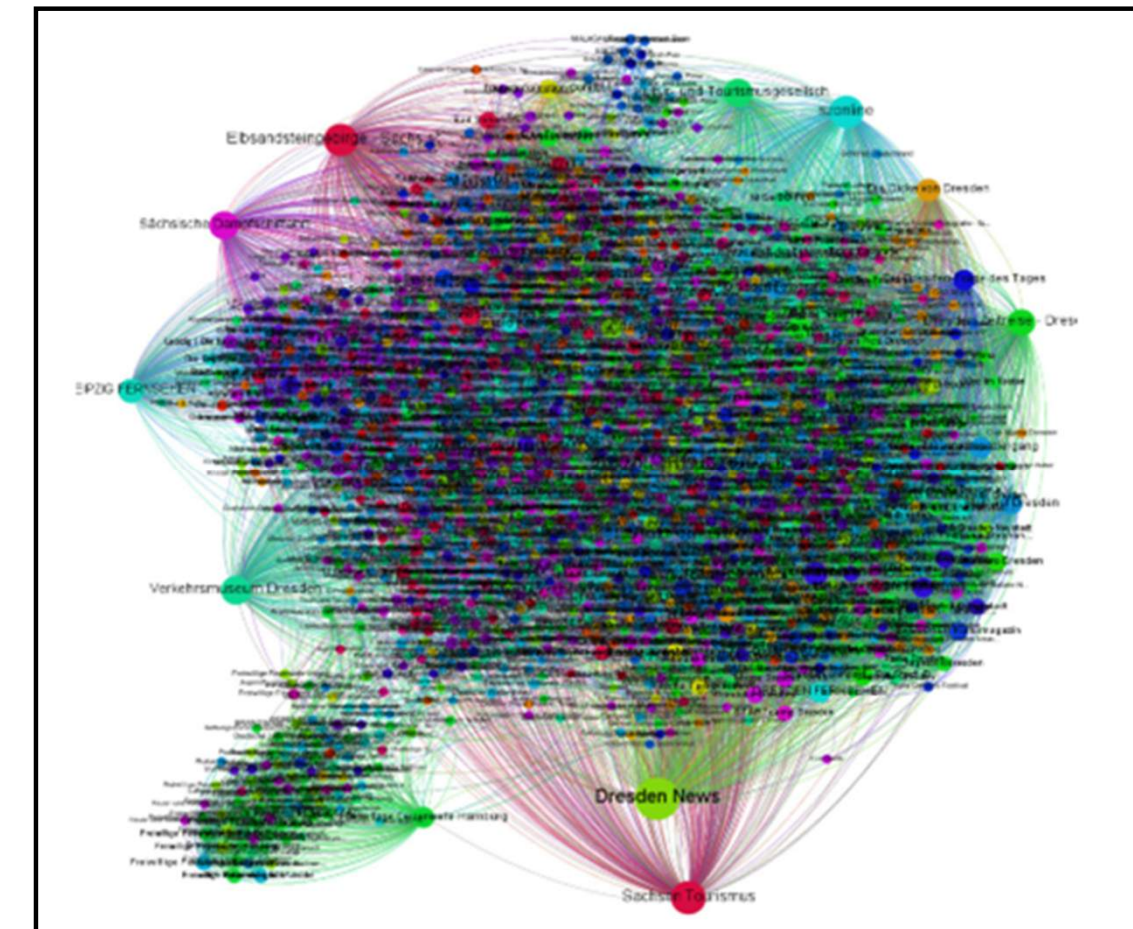

**„ad hoc-
culture“**

solidary

self-dependent

**dynamic &
complex**

**deeply
emotional**

Open Questions

- How to steer the voluntary power ?
- Acceptance of steering?
- Administrative, technical and legal questions
- And tomorrow? What comes after facebook, twitter & co.?
